

## **ISPS HANDA Championship – Travel Information**

Important Covid-19 information for anyone planning to attend the ISPS HANDA Championship

All travellers are required to complete the Visit Japan digital form found [here](#) . Completing this before travel will reduce time at Immigration.

As of Monday 13<sup>th</sup> March mask use is not mandatory. Some airlines are mandating the use of masks on flights and therefore we advise to take a supply with you.

Please see below Covid-19 testing requirements.

### **Fully Vaccinated Travellers**

Travellers who have proof they have completed their primary course of vaccine and an additional booster dose of vaccine are not required to take a Covid-19 test pre-travel to Japan.

### **Unvaccinated Travellers**

Travellers who do not have proof they have completed their primary course of vaccine and an additional booster dose of vaccine are required to show proof of a PCR test within 72 hours before departure.

### **Recently tested positive travellers**

There are no exemptions for those travellers who have proof of a previous prior infection.

### **Travellers from China**

All those travelling from China by direct flights are required to show proof of a PCR test within 72 hours before departure. In addition, up to approximately 20% of travellers are subject to an on-arrival test.
